Sep 19—6m GAUTIER'S HERB CANDY.

GAUTIER'S HERB CANDY,
For Coughs, Colds, Bronchitis, Asthma, etc.
THIS INVALUABLE CANDY has the extraordinary
property of immediately relieving coughs, colds,
hourseness, difficulty of breathing, bronchitis, asthma, and
huskiness of the throat. It operates by dissolving the congealed phiegm, consequently cau-ing a free expectoration.
Those who are troubled with that unpleasant tickling
in the throat, which deprives them of rest night after
night, by the incessant cough which it provokes, will, by
using this Candy, find immediate relief.
The subscriber, in presenting this Candy to public notice, wishes to be expressly understood that he does not
claim for it any miraculous curing properties, nor does he
present it with a long string of certificates of recommendation, as he considers these altogether needless.
This Candy is composed of six simple ingretients, principally of herbs, which are known to be very efficacious in
the cure of diseases resulting from colds, and some of
which, being rather nauseous in their natural state,
would deter many from resorting to them; but, when
made into a candy, become palatable, without losing any
of their valuable properties.

It has been prepared at the suggestion of one of our
most eminent physicians, and has been used by many of
his and my personal friends with signal success, and at
whose carnest solicitation I have been induced to enter
largely into its manufacture, assured by him and them
that when generally known and tried it will supersed all
the various cough candies and mixtures now in use.

As for myself, I am confident, from the ingredients of
which it is composed, that, should it not effect an entire
cure, it can do no injury even to the most delicate in
health, and therefore have no hesitancy in introducing it
to the cittaens of Washington and vicinity.

CIRCULAR.

CIRCULAR.

WASHINGTON, August 1, 1851.

Other consulting many persons interested in the principal Railroads in the United States, the undersigned propose to establish agencies in this city and in New York, for the purpose of collecting full and authentic Railroad statistics and such other information as will enable them to serve persons desiring to invest in Railroad sequities, or to procure information of any matters connected with the construction and administration of Railroads. They also propose, especially, to trige upon Congress a modification of the laws relating to contracts for carrying the mail, so as to authorize the Post Office Department to contract for the perpetual use of Railroads, and, instead of paying, as now, quarterly on contracts for four years, to advance in five per cent. bonds of the United States, chargeable upon the revenues of the Post Office Department, an amount, the interest upon which at 6 per cent. would equal the payments now made.

The Government now pays \$300 per mile for carrying the mail on first-class Railroads. This is 6 per cent on \$5,000. The undersigned would urge that, instead of paying \$200 a mile, per annum, the Department should deliver, on a contract in perpetuity, five \$1,000 bonds, bearing an interest of five per centum. At this rate the charge upon the Department would be reduced from \$300 to \$250 a mile, per annum, and the \$50 a mile saved would create a sinking fund, which will, in a few years, pay off the bonds, and give the use of such roads forever thereafter free of all charge; thereby effecting a wast saving on the present annual expenditures of the Post Office Department, and a consequent reduction of the rates of postage.

The effect will be no less advantageous to Railroad com-

saving on the present annual expenditures of the Post Office Department, and a consequent reduction of the rates of postage.

The effect will be no less advantageous to Railroad companies than to the Government. For instance, such a contract would give to the Baltimore and Ohio Railroad Company more than \$2,000,000, which would emble that company to complete its road at an early day, and greatly increase its business and profits.

But to meet objections and impress the public mind with a proper sense of the benefits to result from this measure will require concert of action and continued active effort, through the press and otherwise. The undersigned tender their services to your company, expecting a reasonable compensation, partly contingent upon the success of the measure; and respectfully suggest the propriety of your sending one or more delegates to this city, on the first Wednesday in December next, to confer with delegates from other Railroad companies, as to the details of the proposed arrangement and the best mode of bringing the subject before Compress.

Should it be your pleasure to accept of our services in this matter, we will promptly attend to all other business, which you, or your Company, may have with the Post Office Department, or other branch of the Government.

Hoping to hear from you at your earliest convenience, we are, respectfully, your obedient servants.

WONDERFUL DISCOVERY!

"NONE NEED DESPAIR."

All must admit there never has been given such a mass of genuine testimony in favor of any other medicine. Give it a trial! It cures when all other remedies have failed. Greater weight of testimony cannot be given—from the first men in this country.

BALTIMORE, Sept. 18, 1851.

GENTLEMEN: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recom-mended me to use as a relief for the debility and general mended me to use as a relief for the debility and general prostration of my system, the result of taking three bottlee of this wonderful compound has, I am pleased to say, resulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the infallibility of the Tincture. In my own cases, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Respectfully, JOS. K. STAPLETON, 198 W. Baltimore street.

MORE HOME TESTIMONY.—NONE NEED DESPAIR.
TRY IT AND BE CURED.—WONDERFUL AND PERMANENT CURE OF DYSPEPSIA.

Baltimore, Sept. 13, 1851.

Messrs. Mortimer & Mowbray—Gentiemen: This is to certify that in the year 1843 I was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me,) and at length all efforts failed to cure me. I became much weakened, and could walk but a very chort distance at a time, and was often in the act of falling upon the pavement, (I would stop in some door or alley to prevent it, in consequence of frequent palpitations; and, from what I could learn, I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or weak with any satisfaction to myself. Life seemed to be a burden to me. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, and made trial of it. I had but taken the first dose when I fell a change for the better, and hope immediately sprang up. I continued, with the use of this incaluable Tincture, to improve daily, until I had taken the contents of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing senseations. I now enjoy uninterrupted good health, and have done so for the last six years; and would say to all afflicted as I have been, to cast aside your prejudices, and try Hampton's Vegetable Tincture. Any information beside this but meagre description of my ca

fit of the afflicted. Yours, WILLIAM M.OLDHAM, Custom-House; dwelling, Fayette st., near Fremont.

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTIMORE, Sep. 18, 1851.

Messrs. Mortimer & Mowbays—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely exeruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my carnest persuasion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERKRITT,

187 Baltimore street.
